

REACH DECLARATION

To: Anyone whom it may concern

Light Plus UK Limited and the REACH regulation:

LP-WL182124 — Bama

REACH is the European Community Regulation on chemicals and their safe use (EC 1907/2006), in force since 1 June 2007. It covers the Registration, Evaluation, Authorisation and Restriction of Chemicals, and aims to improve the protection of human health and the environment through the better and earlier identification of the intrinsic properties of chemical substances. Since 1 January 2021 the equivalent UK REACH regime applies in Great Britain.

Light Plus UK Limited REACH declaration related to substances in articles

The table below shows which substance(s) of very high concern (SVHC) may be present in our products above the threshold of 0.1% by weight of the listed article. To the best of our current knowledge, no other SVHC are present in our articles.
