DESCRIPTION

Cova LED Down Light Attractive exclusive downlight for indoor or outdoor use, particularly well suited to basic lighting due to its very low unified glare rating. The light efficiency reach up to 115lm/w with perfect accent lighting performance. That makes it become the priority selected product for commercial lighting. Great cooling fins heat sink design increases the interface between heat sink and air, which makes the heat dissipating performance outstanding and extend the service life of the downlight. Suitable for commercial and residential applications like office, supermarket, shop, school, hotel, restaurant, workshop, etc.
