This text is a standard disclaimer often found in product catalogs, brochures, or specification sheets. It informs customers that the company may update product specifications or materials at its discretion to improve the product, without prior notice, provided these changes do not affect its functionality. It also clarifies that the most up-to-date information is available on their website, which takes precedence over other sources.

If this is for inclusion in your materials, you might consider customizing it to match your company's policies or branding. Let me know if you'd like assistance tailoring it!

www.lightplus.uk

An LED bollard designed for pathways and landscaped zones. A die-cast aluminum body with a durable powder coat resists corrosion, while the sealed optical chamber provides uniform, low-glare light. Comes with wide or symmetrical distributions and multiple height options. IP65 and IK10 ratings support harsh outdoor use, with concealed fixings and a pre-wired base for quick, tidy installation.

Description

Housing - Die-Cast Aluminum and Extruded Aluminum Pole

Diffuser - Clear Glass

Color Available - Black & Grey

Lifespan - >50,000 Hours (L90 B10)

Voltage - AC220~240V

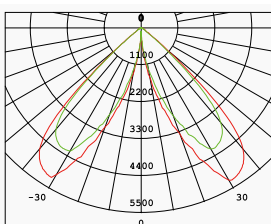

Working Temperature - -20C° ~ +65C°

IP Rating - 65

IK - 09
