

Folky LED High Bay is an energy efficient bay light available from 80W to 300W. Due to its 140lm/W and 5 different optics, it's a perfect fit for warehouse, high halls, loading areas, etc. The 40°x130° optic, especially, allows Star line to optimize the most uniform lighting distribution in long and narrow high-rack buildings. Customers can benefit long lifespan of 5 years, as it has robust extrusive pure AL6063 housing to assure superior cooling ability. Additionally, highly engineered PC lens could be replaced one from another, which could slim your SKU. In all, this high bay could help create safer and more productive warehouses. It is available with 1-10V dimming and DALI, Emergency Kit and Microwave motion sensor or PIR sensor based on the client requirement.
