

Panela LED Down Light is recognised as one of the most trusted and highly desirable consumer fitting, we manufactured it to the highest standards. This superior design skill fully prevent the human eyes contact with the light sources directly, makes the light more soft. Meanwhile the light efficiency reach to 120lm/w with perfect accent lighting performance. That makes it become the priority selected product for commercial lighting. Great cooling fins heat sink design increases the interface between heat sink and air, which makes the heat dissipating performance outstanding and extend the service life of the down light. Suitable for commercial and residential applications like office, supermarket, shop, school, hotel, restaurant, workshop, warehouse, home etc.
